**My Dear Friend [[Forecast10]], the Infinite  
and Blessed Power of the  
Number 8 Will Bring You 88 Days of  
Unlimited Wealth!**

Dear [[Forecast10]],

August 8th, 8/8/08, is a powerful day for good luck, and I'm so excited to let you know it will be a particularly lucky day for you [[Forecast10]]. I've done the research and can tell you with confidence: it will be a day that's sure to change your life forever -- if you know how to take advantage of it and if you follow my advice.

**I've Made a Discovery Vital to Your Future Happiness [[Forecast10]].**

I've discovered how you can use the power of the lucky number 8 and the three-times lucky date 8/8/08 to improve your life in every way! This is your last chance for at least a year (and maybe 80 years) to ride a tidal wave of good fortune and positive transformative energy.

Because I've been working with you for [[ForecastCountText]], I know all about the ways you've been trying to change your life for the better. Now August 8th will bring you the answer to all your prayers, when I send you the 888 Pendant I've had made especially for you.

I want to share this discovery with you [[Forecast10]], because I want you to have everything you've ever wanted. I'm so excited for you. Imagine it.

- The money you need so you never have to worry about making ends meet, EVER AGAIN
- The love and understanding you seek so you'll enjoy the companionship and fulfillment you deserve
- Fantastic luck in everything you do so you can ride a wave of never-ending wealth and well-being
- An end to the problems you face so you'll live a life of peace and prosperity at long last

Just think of all the things you've ever wanted and after August 8th they can be yours!

*You must  
BELIEVE  
in the  
power of 8!!*

On that day, at the time of 8:18pm, you must be ready. Ready to receive the luck that can be yours at last. Ready to see an end to your worries. Ready to receive money. Will you be ready to have all these good things happen to you? I'm sure you will be, [[Forecast10]]; you'd be crazy to pass up this chance. I know you'll accept the opportunity I'm going to tell you about - so please, KEEP READING.

### Why Is the Number 8 Special For Us All?

We all say, "X is my lucky number," don't we? Yet the number 8 is very special. This has been proven again and again in studies. Folklore going back thousands of years illustrates that the number 8 has always been regarded as remarkable, especially in the East.

#### **The Chinese Believe the Number 8 Is the Most Powerful and Sacred Number for Luck and Wealth.**

That's why Chinese people have bid millions for car number plates with the numeral 8. That's why Chinese companies pay extra to be at Number 8 on a street. And that's why the 2008 Olympics in China will start on the 8/8 at 8pm. This is not some superstition [[Forecast10]]. Chinese people and serious businesses spend billions each year to make sure they have the number 8 for luck and success. And a double 8 is even luckier - the Chinese symbol for "ultimate happiness" looks just like "88".

The number 8 also plays a vital role in Buddhism. There are 8 spokes on the Dharmachakra, the powerful symbol of fulfillment, and the path to enlightenment is called The Eightfold Path. There are 8 auspicious symbols, and even Buddha's birthday was on the 8th!

In the Tarot, the number 8 is vital too. The 8th card is *Justice*, and if you've drawn this card, it shows that you will get the rewards you deserve.

#### **But Most Important of All [[Forecast10]], the Number 8 Is Your Personal Number.**

**In numerology and in a Chinese Lucky Number study, your lucky number is (can you guess?) 8. This confirmed for me that 8/8/08 will indeed be a special day for you!**

### But Why the Number 8? Why Not Another Number?

Every number has a meaning, and the numeral 8 is a symbol of an endless path surrounding you. That endless path is the path of riches and luck, as all the traditions show. Magic is all about symbols, and it uses symbols to give power to thought. You must believe in the power of 8 for it to work properly.

I want you to wear this stunning and powerful pendant and envision yourself at the very center of the numeral, where the two circles meet. Feel yourself surrounded by the endless path that goes within you and around you again and again. [[Forecast10]], that path is a line of lucky energy that will flow through you without end once you understand how to use it.

I'll help you to stop luck from passing you by, [[Forecast10]] and turn it into a powerful force that surrounds you in an endless loop, like a figure 8 with you at its center. The number 8 is your personal number and 8/8/08 is a hugely auspicious day. You're one of my most deserving friends, so I've

promised myself that I will help you to make this day the start of your new life.

I'm going to send you the - the 888 Pendant [[Forecast10]]. But you must follow my advice and wear it on August 8th, so that it attracts and captures the enormous flood of luck and positive energy waves that will surround you that day.

*I  
Promise  
You!*

The fantastic news is that on August 8th, you will not only be overwhelmed by good luck waves and charged with positive energy - but on top of this, the lucky **888 Pendant** will also capture and store all that energy and good fortune, like a battery. So wear it on the 8th to catch all this great energy. Then for the next 88 days, the lucky energy will be released out of the "battery" pendant a bit at a time.

I have your pendant ready for you - it's on my desk right now. When I first got it, I actually faced a difficult choice - who should I write to? The truth is there are many deserving people who could use this luck, but I want to give it to you, [[Forecast10]]. I am your advisor and also consider you a very special friend, so who else would I pick? It had to be you!

Now all I can do is hope that you won't hesitate to reply. I want you to have this awesome pendant by August 8th so that this special day and the 88 days after that will work perfectly for you. [[Forecast10]] I can't even express in words how happy it will make me to see you getting the things you deserve.

*And because you are very dear to me, I have something else for you.*
